

United States Senate
WASHINGTON, DC 20510-4502

June 21, 2021

The Honorable Jeanne Shaheen, Chair
The Honorable Jerry Moran, Ranking Member
Subcommittee on Commerce, Justice Science, and Related Agencies
Committee on Appropriations
United States Senate
Washington, D.C. 20510

Dear Chair Shaheen and Ranking Member Moran:

I certify that neither I nor my immediate family has a pecuniary interest in any of the congressionally directed spending items that I have requested in the Fiscal Year 2022 Commerce, Justice, Science, and Related Agencies bill, consistent with the requirements of paragraph 9 of Rule XLIV of the Standing Rules of the Senate.

Thank you again for your consideration of these requests.

Sincerely,

PATRICK LEAHY
United States Senator

**Leahy, Patrick J.(D-VT) Commerce, Justice and Science
Congressionally Directed Spending Requests**

Recipient Name	Project Purpose	Project Location	Amount Requested (\$000)
Burlington Aviation Tech Center	Funding will support the construction of a new Burlington Aviation Tech Center facility to support a research and development student lab to educate and train the next generation of aviation technicians and advance electric aviation technology.	Burlington VT	\$10,000
Champlain College	Funding will support the expansion of cyber consultation for local municipalities, agencies and organizations to facilitate additional cybersecurity at the most vulnerable level of cyberspace by leveraging expertise, faculty, and students at Champlain College.	Burlington VT	\$756
Vermont Department of Public Safety	Funding will modernize training and technology, and strengthen hiring procedures for law enforcement agencies statewide.	Statewide VT	\$2,000
Crime Research Group	Funding will support critical technical assistance and data analysis to Vermont's law enforcement agencies in order to better identify and address racial disparities in policing.	Statewide VT	\$165
University of Vermont	Funding will be used to map and monitor land cover changes, harmful algal blooms, natural disasters, and other critical indicators to better inform natural resource policymakers and service providers.	Statewide VT	\$2,000
Orange County Restorative Justice Center	Funding will provide a more consistent approach among Vermont's two dozen restorative justice agencies, providing increased training, improved data collection and organizational support, to help address crime and conflict in Vermont communities and reduce recidivism.	Chelsea VT	\$433
Lake Champlain Basin Program	Funding will support lake-wide monitoring network to collect and record Lake Champlain environmental data in real-time.	Grand Isle VT	\$750
Norwich University	Funding will support research and development of a proposed framework for structuring IT systems used by NASA for mission critical tasks to better prepare for and respond to cyber attacks.	Northfield VT	\$250
