The Honorable Andrew McCabe  
Acting Director  
Federal Bureau of Investigation  
935 Pennsylvania Avenue, NW  
Washington, D.C. 20535

Dear Acting Director McCabe:

On April 28, 2017, we wrote former FBI Director Comey requesting a briefing on our earlier request for an investigation into Attorney General Sessions' false testimony before the Senate Judiciary Committee and any undisclosed contacts he may have had with Russian officials, including reports that he met with the Russian Ambassador at a private Trump campaign event in April 2016. We expected Director Comey to brief us on the status of this investigation by today.

In light of President Trump's abrupt dismissal of Director Comey, we write to alert you to our previous correspondence with him and to arrange for a briefing. We now ask that you update us on the status of this investigation and brief us on this matter by Friday, May 19, 2017.

Sincerely,
